## **James S. Anderson Returns to Sonic Studio**

Sonic Studio, LLC is proud to announce that Mr. James S. Anderson has joined Sonic Studio as Manager of Customer Relations. Mr. Anderson has been active behind the scenes at Sonic Studio for a while, but is now participating as an employee.

He brings with him long term relationships with Sonic Studio's clients and our worldwide distributors as well as an intimate working knowledge of all of Sonic Studio's audio products. From Sonic Classic to SonicStudio HD through to our latest software releases, he knows them all, and is great at translating the work flow of previous generations of Sonic Studio audio software to all of the company's latest applications.

James resides in the south central Utah town of Bicknell, population 355, near the stunning red rocks of Capitol Reef National Park. As the owner of The BitFarm, a recording, mixing and mastering facility, he uses Sonic Studio's Model 304 DSP I/O Processor exclusively in his work.

### About Sonic Studio

Sonic Studio is the premier manufacturer of ultra-fidelity DSD post and PCM content creation systems. Sonic Studio's Emmy award-winning NoNOISE II suite is the leading audio restoration toolset for archivists, record labels, videographers and forensic investigators while their product lines for Red and Scarlet Book premastering define the state of the art. Sonic Studio's digital audio workstations and software are in use at major studios, record labels, broadcast and post production facilities worldwide. Based in Marin County, California, Sonic Studio has offices in Texas, and an international network of distributors and channel partners who share their commitment to quality and service.
