## **Sonic Studio Extends Distribution In Japan**

*Company Appoints New Representatives in Japan*

Marin County, CA – March 18, 2011 — Sonic Studio, LLC, the leader in ultra-fidelity production tools for audio professionals and consumers, is pleased to announce that Media Integration Inc. has been named as the new Master Distributor for Japan. As a leader in the Japanese pro audio market Sonic Studio is excited to be working with such an exciting and vibrant company. They will take responsibility for all professional audio products including PreMaster CD, the soundBlade digital audio workstation, Model304 FireWire based multichannel interfaces and Amarra VINYL for restoration work.

With an ever expanding representation in over 40 countries, the assignment of Media Integration will strengthen Sonic Studio's already substantive influence in the Far East. Media Integration will be responsible for management and development of all dealers in their territory.

"Media Integration and its Rock On Pro organization has been an established reseller in the professional audio market for many years." said Jonathan Reichbach, President at Sonic Studio, "This is an important step in continuing our strong presence in the Japanese pro audio market. Their knowledge and skill will surely be appreciated by all existing customers."
